1. Scope & Purpose

- a. This framework sets out agreed standards by which this school agrees to abide in the recruiting, selecting and appointment of its employees.
- b. These standards comply with the guidance set out in *Keeping Children Safe in Education*). Adoption of these standards will ensure the school meets its statutory obligations in relation to recruitment & selection, and will help to promote equality of opportunity, thus ensuring the best person for the job is appointed regardless of whether or not they possess, are perceived to possess, or are associated with someone who possesses, one or more of the characteristics offered protection by the Equality Act 2010.
- c. The underlying principles set out in this Procedure, and in particular those relating to the safeguarding of children and young people, and to equality of opportunity, will also apply in relation to the appointment of groups of workers other than employees, such as volunteers.
- d. The Headteacher will be responsible for ensuring all those involved in the recruitment & selection process are appropriately trained and informed, and for ensuring that the following standards, including any statutory requirements in relation to recruitment, selection and vetting, are complied with.
- e. Equally, all those involved in the process of recruiting and selecting staff to work at this school are expected to follow these standards, and to seek advice where they are at all unsure.
- f. For Headteacher appointments, references within this Procedure to 'Headteacher' should be taken to mean 'RET Chief Executive'. The minimum standards set out in the following procedure will also apply to headteacher appointments, but in addition:
 1. A headteacher vacancy must be advertised nationally;
 2. The RET Board, in consultation with the local governing body, will be responsible for determining the application process and the shortlisting and interview panels (both of which should consist of the same individuals), who will be advised by an appropriately qualified person;
 3. No offer of appointment to the post of headteacher will be made without the prior approval of the RET Chair, RET Chief Executive and Chair of the Local Governing Body.
- g. The following standards are strongly recommended for use by external agencies/contractors appointing workers who will have access to the school's premises as part of their role. The Headteacher will be responsible for ensuring all relevant agencies are made aware of these standards and the expectations on them in this respect, and for monitoring compliance.

2. General Principles

When recruiting, selecting and appointment staff this school will:

- a. Ensure its practices and systems are transparent, objective, consistent and thorough and in accordance with legislation and latest guidance; and
- b. Ensure safeguarding the welfare of its pupils is at the heart of its practices.

Recruitment & Selection Standards

3. Recruitment Planning

- a. Review of the vacancy
 1. Where a vacancy arises due to an employee leaving, the Headteacher will be responsible for reviewing the position and assessing whether the vacancy should be filled. The role and its fit within the staffing structure should form part of this review. The appointment should be reviewed and approved in accordance with the process as set out in the Trust's Financial Regulations.
 2. Where the Headteacher determines that a new post is required, this should also be reviewed and approved in accordance with the process as set out in the Trust's Financial Regulations.
- b. Job description and person specification
 1. The job description should outline the main duties and responsibilities of the job. This should include a clear statement about the postholder's responsibilities for promoting and safeguarding the welfare of pupils.

2. The person specification should set out the essential requirements for the post in terms of qualifications, skills, knowledge, experience, aptitudes and other competencies or qualities that candidates need to demonstrate.
 3. Care should be taken to ensure that the criteria required by the person specification are objective and measurable, and that they can be justified in relation to the job description.
 4. The person specification is a key document in the recruitment & selection process, and it is against this that candidates will be measured without exception or variation.
 5. All appointments at this school will be subject to an Enhanced DBS check, and this should be made clear in the person specification.
- c. Application Form
1. This school uses a standard application form for the appointment of all employees. All applicants for employment will be required to complete an application form fully, and sign and date the declaration at the back of the form, at the start of the recruitment process.
 2. Applicants will also be asked to provide details of their online profile, including account names and social media handles so that online searches can be carried out on shortlisted candidates (see section 4C for more information). This information must be provided by the applicant in order for the application to be accepted.
 3. Curriculum vitae ('CVs') will not be accepted in place of a fully completed application form.
 4. To ensure transparency and fairness, applications that are incomplete will normally be rejected on this basis.
- d. Job Information Pack
- A job information pack will be produced for all vacancies prior to advertising the post. This will include as a minimum:
1. Standard application form
 2. Job description
 3. Person specification
 4. Background information on the school
 5. Information regarding the post, including key terms and conditions
 6. Equalities statement

4. Recruitment

- a. In determining the most suitable recruitment medium for a particular post, the headteacher will take into account considerations such as the need for fairness and transparency, and equalities issues.
- b. As a general rule vacancies will be advertised externally, although there may be specific circumstances (such as recruiting to posts of a short-term nature, or for acting arrangements) where the headteacher determines that applications will first be sought from within the school.
- c. In certain circumstances the headteacher may decide to approach an external agency or organisation (e.g. job centre, 'head-hunting' agency) to help source a suitable pool of candidates. This may be undertaken as well as, or instead of, an advertisement. In any event all candidates regardless of how they were notified of the position will be subject to the same selection processes as detailed below.
- d. Reasonable care will be taken when advertising a post to ensure that all staff are made aware of the vacancy, including staff from under-represented groups within the school. To this end, a copy of all job advertisements will be placed on the school staff notice board.
- e. All advertisements will include a brief safeguarding statement, including the requirement for an Enhanced DBS check.

5. Selection

a. Shortlisting

1. All applicants for a post will be subject to a shortlisting exercise, carried out by the shortlisting panel using a standard matrix. The shortlisting panel will consist of a minimum of two persons who will also normally form the selection interview panel.
2. Candidates should be shortlisted, without exception or variation, against the criteria specified in the person specification. As part of the shortlisting process the panel will be expected to check applications for consistency of information, and to identify any gaps, anomalies or discrepancies that may need to be followed up.
3. Shortlisting decisions should be recorded using the shortlisting matrix, and this should clearly identify reasons why unsuccessful applicants were not selected for interview.

b. References

1. References will normally be sought prior to interview. No reference will be sought without the prior agreement of the applicant, although where such agreement is withheld the panel may decide to discount that applicant from the rest of the selection process.
2. Two references will be sought, both of which should be employment references, one of which should be from the current or most recent employer. Where this is not possible (e.g. where the applicant has not previously worked) alternative referees will be allowed.
3. One reference should be from their most recent education employer.
4. References will be taken up using the school's standard reference request template, and will seek specific information regarding the applicant's suitability for working with children and young people. Where concerns or discrepancies arise as a result of a reference that has been provided, this will be followed up with the referee to the headteacher's satisfaction.

c. Online searches

1. The school reserves the right to obtain such formal or informal background information about an applicant as is reasonable in the circumstances to determine whether they are suitable to work at the school. In accordance with paragraph 220 of KCSIE this will include online searches on shortlisted candidates (**online searches**). The online searches the school carries out may include searches of internet search engines, websites and social media platforms. Applicants are asked in the application form to provide details of their online profile, including account names and social media handles. This information will be used to carry out online searches. Applicants are not required to provide account passwords or to grant the school access to private social media accounts.
2. Online searches may be carried out at the shortlisting stage or after an offer of employment has been made (but prior to work commencing).
3. In carrying out online searches the school is looking for any publicly available information about an applicant that:
 - may be relevant to their suitability to carry out the role for which they have applied;
 - may be relevant to their suitability to work at the school or in an education setting;
 - is of a safeguarding nature; and / or
 - may have an impact on the school's reputation (whether positive or negative)
4. Where online searches are undertaken on the successful applicant only any relevant information generated will be discussed prior to employment commencing. All offers of employment will be conditional upon the school being satisfied that the successful applicant is suitable to work at the school in light of any information generated from online searches.
5. In evaluating any online information for relevance the school will use the following criteria:
 - whether the information is relevant to the position applied for;
 - whether the information is relevant to the applicant's suitability to work at the school or in an education setting;

- whether the information could have an impact on the school's reputation (whether positive or negative);
- whether the information calls into doubt the applicant's willingness or ability to uphold the school's commitment to safeguarding and promoting the welfare of children;
- the length of time since the information became publicly available and whether the applicant's circumstances have changed since the information was published;
- whether the information reveals a pattern of concerning behaviour; and
- the relevant circumstances and the explanation(s) offered by the applicant.

d. Selection Interviews

1. No offer of employment will be made without a face-to-face interview having first been conducted. Ideally, face-to-face interviews will also be combined with other selection tools appropriate to the post (e.g. observed teaching, written or practical tests).
2. Careful consideration should be given in advance of the interview/selection date to the organisation of the day, as this will impact on how the school is perceived by applicants. This will include taking care to implement reasonable adjustments where applicants have indicated that these are required as a result of a disability.
3. Selection interviews will be conducted by a panel of interviewers, consisting of a minimum of two. Prior to interview, the panel will draw up a set of 'core' questions related to the person specification, which will be asked of all candidates; as well as identifying any areas that need to be explored with individual candidates.
4. All interviews will probe candidates' suitability for working with children and young people, and will ask whether (in light of the requirement for an Enhanced DBS check) candidates have any previous cautions, convictions or bind-overs that they wish to declare.
5. Prior to interview the panel should agree the scoring mechanism to be used. This includes the scoring mechanism for selection activities other than the interview. The scoring mechanism should be as transparent as possible, and will reflect the comparative importance of different elements of the job role.
6. Questions together with candidate responses should be recorded by the panel using the school's standard interview record sheet.
7. Candidates will be notified of the outcome of the selection day as soon as possible after the decision has been made. Where it is requested, feedback will be provided to candidates.

e. Vetting

1. All offers of appointment will be made on a conditional basis, subject to receipt of the following:
 - Two satisfactory references (see above)
 - *Verification of identity
 - *Verification of right to work in the UK
 - *Verification of qualifications (and where relevant) professional status
 - *Satisfactory Enhanced DBS Check (see below)

 - *DfE Number (teachers)
 - Evidence of registration with relevant professional body (if applicable)
 - Verification of medical fitness
 - The school being satisfied that any information generated through online searches does not make you unsuitable to work at the school

- b. The Headteacher will advise RET of details of any positive DBS disclosures. The Headteacher will consider the magnitude of the DBS disclosures having regard to guidance and instructions from the Governing Body and RET:
 1. Major disclosures which are considered to involve risks to students will be rejected.
 2. For serious disclosures, which might not involve risks to the students the Headteacher will seek to establish the relevant facts from the applicant and will then make a decision.
 3. For minor disclosures involving a reasonable amount of time since the event and no involvement with students will be dealt with in a discussion between the applicant and the headteacher who will then make a decision.
- c. A record of the recruitment decision following a positive DBS disclosure will be made by the Headteacher and RET Chief Executive on the prescribed form.

 - the length of time since the offence or other matter occurred,
 - whether the applicant has a pattern of offending behaviour or other relevant matters,
 - whether the applicant's circumstances have changed since the offending behaviour or the other relevant matters, and
 - the circumstances surrounding the offence and the explanation(s) offered by the convicted person.
- f. In the event the applicant is due to commence employment before the DBS disclosure has been received and the barred list check has shown a clear response, an employment risk assessment may be completed on the prescribed form.) This assessment, involving completion of the relevant form, is only for use in exceptional circumstances – usually that the post is essential to the successful operation of the school. The Headteacher will sign the declaration on page 2 of the form and the chair of governors will be asked for his countersignature. If the application is in respect of a teaching post, the applicant will require an appropriate level of supervision and/or monitoring to be maintained and he/she will not work alone with individual students. On receipt of the DBS disclosure, the normal process will be followed.

Appendix A - Policy Statement on the Recruitment of Ex-offenders

The DBS/CRB Code of Practice Requires that the school sends a copy of its Policy on the Recruitment of Ex-offenders to all job applicants.

In accordance with the aforementioned Code of Practice this policy is made available to all Disclosure applicants at the outset of the recruitment process. The full Code of Practice is available at:

<http://www.homeoffice.gov.uk/publications/agencies-public-bodies/CRB/about-the-crb/crb-cop?view=Binary>

1. As an organisation which uses the Disclosure and Barring Service (DBS), the Governing Body of the school complies fully with the aforementioned Code of Practice and undertakes not to discriminate unfairly against any subject of a Disclosure on the basis of conviction or other information revealed.
2. We meet the requirements in respect of exempted questions under the Rehabilitation of Offenders Act 1974, all job applicants will be subject to a criminal record check from the Criminal Records Bureau before the appointment is confirmed. This will include details of convictions cautions and reprimands, as well as 'spent' and 'unspent' convictions. A criminal record will not necessarily be a bar to obtaining a position.
3. We are committed to the fair treatment of applicants, regardless of race, gender, religion, sexual orientation, responsibilities for dependants, age, physical/mental disability or offending background.
4. We promote equality of opportunity for all with the right mix of talent, skills and potential and welcome applications from a wide range of candidates, including those with criminal records. We select all candidates for interview based on their skills, qualifications and experience.
5. All application forms and recruitment information will contain a statement that a Disclosure will be requested in the event of the individual being offered the position.
6. We encourage all applicants called for interview to provide details of their criminal record at an early stage in the application process. This information may be sent under separate, confidential cover. The information will only be seen by those who need to see it as part of the recruitment process.
7. At interview, or in a separate discussion, we ensure that an open and measured discussion takes place on the subject of any offences or other matter that might be relevant to the position. Failure to reveal information that is directly relevant to the position sought could lead to withdrawal of an offer of employment.
8. We undertake to discuss any matter revealed in a Disclosure with the person seeking the position before withdrawing a conditional offer of employment.
9. We ensure that people who are involved in the recruitment process have access to professional advice to identify and assess the relevance and circumstances of offences. We also ensure that they have received appropriate guidance in the relevant legislation relating to the employment of ex-offenders, e.g. the Rehabilitation of Offenders Act 1974.
10. Having a criminal record will not necessarily bar you from working at the school. This will depend on the nature of the position and the circumstances and background of your offences.
